- Size: 36 m² (6 x 6) m
- Size: 72 m² (6 x 12) m
- Single layer tent
- High comfort
- Large gateways along sides
- Multiple area of use

AREA OF USE:

- Field Hospital
- Accommodation
- School tent
- Dining and recreation area

ROFI OMEGA tent is offering high flexibility on possible area of use at low cost for field operations in warm climate. The simple and spacious tent allows using the tent for a variety of functions, such as accommodation, field hospital, recreation area etc.

ROFI OMEGA TENT

Field Hospital

The width of the ROFI OMEGA tent provides sufficient space for placing hospital beds across of each other, leaving a walkway in the middle for easy access to patients.

The tent may easily be split in sections by means of separation walls, creating treatment- and functions areas necessary in a Field Hospital concept, such as operation theatre, ICU, examination area, medical storage facilities etc.

The tent is designed to assure a clean environment within a field hospital configuration. Air distribution through distribution hoses in the roof make sure the cooled or heated air is evenly distributed throughout the tent.

In a field hospital configuration, it might be particularly important to consider installation of solid floor tiles, for easy transport of patients and equipment.

ADVANTAGES:

- Spacious
- Simple erection – no special tools required
- Natural ventilation
- PVC- flooring
- Multiple area of use

ROFI OMEGA tent is a spacious tent designed for warm climatic conditions, with large side doors that may be rolled up for increased ventilation. Sliding doors at the gables, windows with mosquito netting and curtain add further to the comfort. Use of separation walls enables creating sections within the tent.

ROFI OMEGA TENT

Accommodation

One ROFI OMEGA of 72 m² may accommodate 18-48 persons, depending upon choice of accommodation equipment and how much room each person should be allowed. Using collapsible field beds there is room for 18-24 persons. By using bunk beds, you may accommodate up to 48 persons, - the standard to be set by the customer.

ROFI OMEGA TENT

School Tent

The ROFI OMEGA is offered in sizes 36 m² and 72 m², suitable for use as classroom in disaster situations. Crosswise separation walls are used for dividing the tent into smaller units.

ROFI OMEGA TENT

Dining and Recreation Tent

The ROFI OMEGA tent is suitable for use as dining tent and recreation area, being a spacious tent with room for seating 50-60 persons, or for installation of leisure activities.
